**Re: Docket No. 2012-253-C**

To Whom It May Concern:

FLATEL respectfully requests that it be allowed to cure its failure to file the necessary bond required by 26 S.C. Code Regs. Section 103-607. Pursuant to 26 S.C. Code Regs. Section 103-803, FLATEL requests that it be granted a waiver the bond required by 26 S.C. Code Regs. Section 103-607 ("Bond Regulation"). The Bond Regulation allows the Commission to determine the type and amount of bond or other security means. FLATEL's customer base in South Carolina has been reduced from over 3500 customers to a little over 100 customers.

FLATEL's many years of operations in South Carolina demonstrates its financial stability. To require FLATEL to purchase a bond places an excessive burden on its cost of doing business in South Carolina and would be difficult for our company at this time.

Therefore, we respectfully request that FLATEL be allowed to continue to provide service to our current customer base without a bond.

Should the Commission have any questions or need additional information, please contact me.

Very truly yours,

  
Adriana Solar
